Champagne Barons de Rothschild

The story

From the three branches of the Rothschild Family, sprang an ambition: combine the best terroirs with their know-how for a purpose: Barons de Rothschild Champagne.

The painstaking care lavished on each Barons de Rothschild Champagne reflect an exceptional commitment to quality that gives them such rarity value.

The process is long and demanding. Great expertise produces wines that are in the image of Rothschild name.

Just like two centuries ago, each bottle rests in the cellar hewn out of the roc where darkness and silence reign in respect for the fine champagne in the making.

Driven by passion and boldness, the art of inventiveness is a source of achievement. Barons de Rothschild Champagnes celebrate the solemnity and uniqueness of the great moments of success.

A range of three Champagnes made in the traditional manner. Chardonnay is the biggest contributor to the blend. The wine is aged in cellar for 3 years before disgorging. Light and subtle dosage followed by a long period of rest gives the wines a rare elegance, lightness and refinement.
